

MORE MONEY FOR WOMEN!

Goodness knows it's not much, but the Family Allowance is the only money that all mothers get for some of our work in the home. And last year, when Trudeau froze our yearly increase, he robbed women of \$220 million - about \$30 per child. It was his Government's largest cutback.

But women protested loudly. With letters to newspapers, neighborhood meetings, briefs to Ottawa, and with a petition that thousands of women - and men! - have signed.

AND... TRUDEAU HAS JUST
PROMISED IN THE THRONE
SPEECH (Oct.12) TO RE-INDEX
THE FAMILY ALLOWANCE TO
THE COST OF LIVING ON
JANUARY 1st, 1977!

This is a victory for all women. The amount each mother receives just barely covers the cost of a new jacket or a pair of shoes per child - or a night out for ourselves - but WE FOUGHT FOR THE INCREASE AND WE GOT IT BACK!

WHAT NOW?

- Well, the Throne Speech is not law; just promises that have to be made good.
- And, our petition also demands:

THE MONEY WE LOST THIS PAST YEAR

THE REMOVAL OF FAMILY ALLOWANCES
FROM TAXABLE INCOME

AND A FULL WAGE FOR HOUSEWORK
FOR ALL WOMEN

- So, let's finish our drive to get 10,000 signatures and then take them to Ottawa to present our demands to the Government and to tell Trudeau WE WANT THAT INCREASE IN THE MAIL BY JANUARY 1st!!
