

GAYE LAMB FOR VICE-PRESIDENT

Gaye Lamb is one of Ontario's most accomplished trade unionists. Just ask the workers at Radio Shack!

As the organizer of that notorious company and as the leader of that long, bitter and momentous strike, **Gaye Lamb** has made a permanent contribution to the rights of working people in this province.

But **Gaye** has done even more — at all levels of the labour movement and in the community.

She has been an officer of the United Steelworkers Local 6709 at Cooper Tool Group Ltd. for several years, and has been that Local's President for two years. As a full-time Steelworkers organizer for three years, **Gaye** organized Radio Shack and six other plants.

Gaye has been President of the Barrie Labour Council for three years, and has run in both federal and provincial elections as a candidate of the NDP, and substantially increased our vote in each election. **Gaye** has been an active member of the O.N.D.P. Women's Committee as well as one of the leaders of the Steelworkers' first National Women's Conference.

As a single parent with a teen-aged son, **Gaye** has experienced first hand the frustrations and discrimination that plague women in our society and our province. But she has repeatedly stood and fought against the odds for the rights of women and all workers, and being of Metis ancestry has worked diligently to further the cause of native rights.

And she has an outstanding record to prove it! Put that energy and those accomplishments to work for the OFL to elect an activist **VICE PRESIDENT**.
