

Dear

We are pleased to hear of your interest in a payroll deduction plan at the Women's Credit Union. We have received your participation slip which specifies that \_\_\_\_\_ be subtracted from each cheque for a total monthly deduction and deposit of \_\_\_\_\_.

This payroll deduction plan is arranged in cooperation with the accounting department at the YWCA, in particular with the assistance of Elizabeth Wetzel. The first payroll deductions are scheduled to be made in January, 1979. Elizabeth will forward your deduction to us at the end of January and of each subsequent month thereafter. We will then immediately deposit these amounts into your account at the Credit Union.

I have enclosed a membership application form for you to fill out. We can open an account for you as soon as we receive this completed form and your first deposit. As a member you will receive quarterly statements of all financial transactions which have occurred on your account during these three month periods. You may also be interested in knowing that our interest rates have increased substantially over the past few months and that we are paying 9 1/4% per annum on standard savings accounts.

Please feel free to contact us at the Credit Union if you have further questions. We look forward to hearing from you again.

Yours truly,

---
